Address : UIET, Kurukshetra University Kurukshetra.

Country : India

### **Research interests**

---

- Renewable energy resources
- Sustainable and green Environment
- Stochastic Decision Optimization
- Grey Relational Analysis
- Design Expert using Response Surface Methodology
- Robotics and IoT

### **Academic Career and Positions Held to Date (16 years of teaching Experience)**

---

- Assistant professor of Mechanical Engg. Department at UIET,Kurukshetra University Kurukshetra from 8.10.2015-till date.
- Head of Mechanical Engg. Department at SKIET Kurukshetra from 29.11.2013-28.5.2015.
- Assistant Professor of Mechanical Engg. Department at SKIET Kurukshetra from 18.8.2009-29.11.2013

### **Academic Education**

---

- Pursing PHD From Kurukshetra University Kurukshetra

### **Software and language knowledge**

---

- Design Expert using Response Surface Methodology.
- Python
- Solid-works

### **Research Publications**

---

<https://scholar.google.com/citations?hl=en&user=svlmi00AAAAJ>
